***ATTENTION!**

The main route is calculated for all OFF ROAD vehicles and experienced riders/drivers. You will encounter steep hills, tight canyons, loose sand and rocks. The main route is tested with a high clearance Jeep in two-wheel drive and open differentials. However, the route will change with the passage of many vehicles and since we can't factor in the experience level of each rider/driver, it may be a tough, technical trailride for some participants, especially drivers of stock SUV's and small children riding ATV's and dirt bikes. If you are not willing to risk damage to your vehicle, or are not sure of your riding/driving skills, do not make the run.

Course length approx. 20 miles

Alternate "difficult routes" for those willing to "GO FOR IT!"

Checkpoints have "games of skill" for more family fun and prizes!

Course closes 4:00 pm
